

## **Love the site**

Posted by Jesse Jackson - 2022/10/25 23:09

---

This has the potential to be a great website for all things afterlife. :-)

One suggestion is to make it more mobile friendly.

Hi Jesse,

Yes, I will be trying to get the site mobile friendly soon. I am viewing this as a retirement project and hopefully that will come about real soon.

Thanks for the suggestion.
